

Senior Associate (f/m/d) M&A Industrial company (DAX 40)

For our client – a leading industrial company (DAX 40) based in Munich – we are currently looking for a Senior Associate (f/m/d) M&A.

Responsibilities

- For complex M&A projects (acquisitions, divestments, or joint venture projects), you will work together with the project manager and take responsibility for selected project modules. you will contribute to the structuring of transactions, conduct profitability analyses as well as company valuations in coordination with the project manager
- You will be responsible for preparing well-structured decision documents for complex matters
- Within the project modules, you will partly independently lead teams consisting of internal and external consultants on the respective specialist topic
- You will coordinate the implementation of internal and external expert opinions and work out the effects on the decision parameters in a structured manner
- You will participate in M&A negotiations and coordinate individual topics independently
- You will actively shape the development of our department's processes and methods

Candidate Profile

- The basis is your successfully completed university degree in business administration and several years of knowledge and experience in M&A or related areas (e.g. finance, investment management/controlling, strategy consulting)
- You have project experience in an international environment or abroad, as well as experience working on complex projects
- You have a profound knowledge of fundamental business analysis (business models incl. value drivers) and external accounting
- You have a sound knowledge of business valuation and work in a result-oriented manner
- You convince us with a good understanding of numbers as well as strong analytical skills and are able to independently structure, prepare and present complex matters in Microsoft Office tools such as Excel and Powerpoint for senior management teams
- In your collaboration with several interfaces, you communicate fluently in German and English
