

Associate Director (f/m/d) Internal Consulting Worldwide leading pharmaceutical company

For our client – a leading global pharmaceutical company based in Rhineland-Palatinate – we are looking for an Associate Director (f/m/d) Internal Consulting.

Responsibilities

- In your role, you will be a trusted advisor for our Business Units providing excellent consulting services to ensure the success of the company's strategic and large-scale initiatives
- As Associate Director, you will therefore design, manage and monitor these initiatives across multiple functional areas, businesses, regions & countries
- With your experience, you will lead strategic projects, providing direction and steer for managers/ senior managers working on the project to facilitate tasks and deliverables, and act as a trusted counterpart and sparring partner to the business
- Moreover, you will prepare, recommend and present actionable, client-sensitive solutions for projects to the business partner, steering- and executive committees
- Anticipating future trends and upcoming challenges, you will actively contribute to departmental development by creating new methodologies, tools and concepts
- As experienced project leader, you will expose team members to strategic projects and senior management and providing regular guidance and feedback

Requirements

- Very good Master's degree or doctoral degree in Business Administration or Science, Medicine or other comparable academic qualifications
- Long-term consulting experience in top tier consulting firms or internal consulting for a pharma company, leading projects, ideally in the healthcare or chemical industry
- Proven consultancy skills, including strategy development, organizational design or equivalent, business units/ functional strategies, agile methods, etc.
- Ambition to solve complex problems in an ambiguous environment and a general understanding of strategic and economical "big picture" correlations
- Excellent communication and presentation skills in English are required. German language or further languages skills are an advantage
